

PACA Members – Please forward to your members**Subject: Yellow Ribbon Program****All Students & Faculty:**

Drexel has partnered with the government to provide free education to post 9-11 veterans. This program is unique in that the university is making up the difference in costs to students which the government program would not cover. It is a great opportunity for veterans to start (or finish) their education. The Construction Management department wants to encourage everyone who is eligible for this program to take advantage of it. If you, or someone you know, might qualify for the Yellow Ribbon Program, please contact Jeff Linskens at 215.895.6413, or for CMGT students, Dr. Tsafos at 215.895.6024.
